

## Thompson Nicola Area CWFF Challenge!

Are you interested in earning the crest shown here? It is simple - get your unit, committee, council or Guild working together and raise at least \$5.00 per registered member for the CWFF. This will be an ongoing Challenge for the 2012/2013 Guiding year!

Once your unit meets the objective, send the money raised by cheque to your District or Area and then contact your **Area International Adviser, Sharlene Puhallo**, to let her know how much you have collected, the number of members you have and your contact information.

The crests can be ordered from the Area International Adviser at a cost of \$1.15 each. The balance must be paid for at the time of ordering. All crest orders must be in by May 30, 2013. The crests are not to be worn on uniform or badge sashes.

**Hold a rich/poor supper:** Invite guests to your supper where everyone pays the same to attend. Create two types of tickets—one rich and one poor.
